Islamic Economics & Islamic Business

International Undergraduate Program

Faculty of Economics and Business
Universitas Indonesia

Explore!

Welcome to the Faculty of Economics and Business Universitas Indonesia (FEB UI), a leading center for economics and business studies in Indonesia which contributes to national development and is internationally recognized.

The **Islamic Economics** and **Islamic Business** International Undergraduate Program (IUP) provides students with the opportunity to join our single degree program tracks.

With a curriculum that is designed with prospective students in mind, coupled with the exponential growth of Islamic economics and halal industry, and our limitless potential for knowledge sharing, we believe that our IUP can reach and achieve remarkable things.

Why Us?

The only AACSB-accredited Islamic Economics and Islamic Business Undergraduate Program recognized globally

Curriculum that adapts to current developments in the scientific field and industry

Collaboration with industries and international partners for academic and non-academic activities

Dedicated and knowledgeable teaching and academic staff

World-class educational facilities and a supportive ecosystem

Opportunities for internships at various international institutions.*

**subject to terms and conditions*
